

About Us

We are The Little Woman Food Diary—a creative hub for all things food. From intimate gatherings to large-scale events and corporate functions, we offer bespoke catering services designed to delight and impress.

Led by our founder and head chef, our expertise extends beyond catering. We also provide food styling, recipe development, and engaging cooking classes. Whether you're planning an event or looking to bring a food concept to life, we're here to make it unforgettable with flavour, creativity, and a personal touch.
